CLOSING WOMEN'S MONTH BY CELEBRATING THE LEGACY OF A TRUE ICON!!

In closing off Women's Month, the Department of Public Works and Infrastructure, led by MEC Dibolelo Mance, is honoured to have played a part in preserving the legacy of struggle stilward, Winnie Madikizela-Mandela.

The department did refurbishment and cleaning work at the Winnie Mandela House (Museum) in Brandfort, ensuring that this historic site continues to stand as a testament to her strength, resilience, and unwavering commitment to the fight against apartheid.

The scope of work done at the historic house, included but is not limited to: repainting external walls of the museum and office, fixing window blinds, fixing electrical issues, fixing cracks on the walls, fixing toilets and many more.

The day started with an outreach programme at Lesedi Disabled Day Care Centre. The centre cares for 21 children with disabilities. Food parcels, dignitary packs, blankets and sporting kits were donated. MEC Mance highlighted that "the little we bring is in appreciation to the staff to make the lives of the children better."

The Department also continued with activities of planting trees and cleaning around the Winnie Madikizela Mandela Museum through the Letsema Campaign with EPWP participants.
